PARTS OF SPEECH - GAME TIME

Turn on your cameras!

We will give you a letter and you will need to show the classroom an object that begins with that letter!

Verb - What can it do, or what can you do with it?

Adjective - Find a word to describe it! (for example: colour, tall, small, etc...)

You get a point for finding an object, using a verb, and using an adjective!

LET'S PRACTISE!

GUIDELINES FOR GUESSING MEANING FROM THE SENTENCE

1. If it is a word, decide on the part of speech. If it is a phrase, think about how it fits in the sentence.
2. Look at the words next to it for clues (information) about the meaning.
3. Think about the meaning and the structure of the sentence.
4. Make a guess about the meaning. Give a synonym or a phrase to explain the general meaning.
5. Read the sentence again with your guessed meaning instead of the word or phrase.

PRACTISE 1

Use the context to figure out the part of speech and the general meaning of the underlined words. Follow the guidelines above. Give a synonym or a phrase to explain the general meaning.

1. William took the lid off the pot to see what his mother was cooking for supper.

Part of speech: _____
